STALLIONS NEW TO PENNSYLVANIA FOR 2010

JUMP START

A.P. Indy—Steady Cat, by Storm Cat

Jump Start, a 10-year-old son of A.P. Indy, will stand at Tarry Bratton's Ghost Ridge Farms near Brogue, Pa., for the 2010 breeding season. Jump Start has sired 18 stakes winners. His eight stakes winners in 2009 include Hollywood Gold Cup-G1 winner Rail Trip, and additional graded stars Assessment and Bold Start. Jump Start will stand for \$10,000.

SIR SHACKLETON

Miswaki—Naskra Colors, by Star de Naskra

Multiple graded stakes winner Sir Shackleton will stand in 2010 at Gayle Gerth's Dana Point Farm for a fee of \$2,500. A millionaire on the track, Sir Shackleton was a stakes winner in three consecutive years. His major stakes victory came

in track-record time of 1:21.64 for seven furlongs in the 2005 Richter Scale Breeders' Cup Sprint Championship Handicap-G2 at Gulfstream Park. His other stakes wins came in the 2004 West Virginia Derby-G2, Derby Trial Stakes-G3 and 2006 Super Stakes at Tampa Bay Downs in which he set a new track record of 1:22.28 for seven furlongs.

MONBA

Maria's Mon—Hamba, by Easy Goer

Monba, winner of the 2008 Blue Grass Stakes-G1, will enter stud in 2010 at Mike Jester's Penn Ridge Farms near Harrisburg. He won his first two starts at 2, defeating subsequent Grade 1 winner Macho Again at Churchill Downs on the dirt. Monba is from a family of successful sires, including graded winner Secret Hello and Hadif. His dam is a half-sister to additional graded winner Silent Account. Monba's stud fee is \$5,000

Pennsylvania's budget impact on the PA Breeding Fund

The impact the state's budget signed on October 9 by Governor Ed Rendell will have on the Pennsylvania Breeding Fund program is summarized as follows:

1. For each of the next four years, the horsemen's share of the slots terminal revenue (Race Horse Industry Development Fund) will be reduced by 17 percent, effectively reducing the aggregate percentage from 12 percent to 10 percent.

2. The reduction will be applied proportionately to the revenue generated at Category I and Category II facilities to each racino's fraction of the whole generated at all racinos, Thoroughbred and Standardbred. The total RHIDF breaks down to approximately 50 percent for each breed.

3. In that the Breeding Fund receives 16 percent of the terminal revenue generated for

Thoroughbreds, the annual approximate total reduction to the fund, based on \$100 million Thoroughbred total in the RHIDF, would be:

Thoroughbred share of the RHIDF = \$100 million

Reduction by 17 percent = \$17 million

Breeding Fund share of the reduction = 16 percent

Breeding Fund loss = \$2.72 million

4. Total Breeding Fund revenue in 2009 is estimated at \$18 million. This total is calculated with the Category II facilities in Bethlehem and Pittsburgh each in operation for less than half the year. About one-third of the \$2.72 million loss to the fund next year will be made up with these facilities operating year-round in 2010.

Budget impact *continued from page 1*

5. Therefore, the net loss to the Breeding Fund should be approximately \$1.8 million, with the revised total fund revenue available annually estimated at just over \$16 million. The fund will continue to receive deposits generated from a share of the pari-mutuel tax revenue.

6. Revenues anticipated to be generated from table games will not impact the RHIDF; instead they will be directly deposited into the state's General Fund.

Breeder award percentages are fixed by statute, and will continue to be paid at the rate of 30 percent of purse share to PA-sired PA-breds, and 20 percent of purse share whenever a

registered PA-bred finishes first, second or third in any pari-mutuel race in the state. Stallion awards are 10 percent.

Exactly how the decrease to Breeding Fund revenues will be applied to the PA-bred racing program will be determined by the Breeding Fund Advisory Committee and the State Horse Racing Commission.

PA Horse Breeders Association thanks all members who took the time to express to their legislators their concerns for potentially massive cuts to the Breeding Fund program. Questions on any of the above may be directed to Mark McDermott at execsec@pabred.com.
